

KADA POROMAN MICROFINANCE LTD INTRODUCES NEW TECHNOLOGY

KPML ATM; FOR YOUR CONVINIENCE

The first Microfinance in Papua New Guinea to introduce ATM Machines with a minimum as low as K10 Cash Withdrawal from the ATMs. New Technologies introduced to provide quality and efficient service to the customers

Kada Poroman Microfinance Limited was initiated purposefully;

To provide financial services to the majority of economically active people in East New Britain Province,

To promote more participation by nationals in the economic development of the district, particularly those involved in the informal sector,

To provide an alternative and user friendly banking services for the grass-root people whom the existing commercial banks and other financial service providers do not have the time to deal with as they usually considered as non-bankable.
